Authorized distribution

	Internal and external antennas for a wide frequency range, GSM 5G/4G/3G/2G, GPS/Glonass/Beidou/Galileo, Iridium, UHF, DVB-T, DAB, FM, WiFi, Bluetooth, 433/868/915 MHz LPWA and combined ones.
https://www.2j-antennas.com/	
	DC/DC isolated converters from 0,25 W up to 250 W, built-in and standalone power supplies, switching regulators, LED power supplies from both DC and AC voltage.
http://www.aimtec.com/	
	Character matrix and graphic modules and segment displays in LCD technologies TN, HTN, STN, FSTN, VATN, displays from TFT 1,44" až 7", display OLED.
http://www.blazedisplay.com/	
	A wide range of screw-type and plug-in terminal blocks, industrial circular connectors, and rugged connectors.
http://www.degson.com/	
	Industrial switches, DIL slide switches, toggle and rotary switches, microswitches, reed relays, electromechanical and optical relays, screw and plug-in terminal blocks connectors (FPC, USB, power, jack, board-to-board, and others), SMD inductors, polymer resettable fuses (PTC), stepper motors.
https://www.ece.com.tw/	
	They offer a wide range of active RFID tag and sensors. Bluetooth versions with low energy consumption. Thanks to this, they meet the requirements of many applications. Security, Telematics, Smart Building & Smart Cities, RTLS & Inventory.
https://elainnovation.com/	
	A wide range of screw-type and plug-in terminal blocks for various purposes.
http://www.elinkercontact.com/	
	A leading manufacturer of programmers, development and production, including a large number of adapters for various integrated circuit packages.
https://www.elnec.com/	
	
https://www.energyled.com.tw/	
	High-brightness LEDs in various package for through-hole and surface-mount applications, light sources for industrial and public lighting, modules for traffic lights, and modules for exterior and interior automotive lighting.
https://www.eoi.com.tw/	
	Vehicle telemetric units GenLoc, socket modules GenPlug, industrial modems GenPro, industrial control unit GenIP.
https://www.ercogener.com/	
	RJ45 connectors with integrated transformers for 10M/100M/1G/10G, POE transformers, E1, E3, ISDN, VDSL, modem, power and filtering coils, VDSL and SHDSL splitters, and noise suppression components.
http://www.hanrun.com/	
	Li-FePO4, Li-Ion, Li-Pol, Li-SOCI2, Ni-MH, Ni-Cd batteries.
http://www.howellenergy.com/	
	A very wide range of low-current connectors, battery holders, integrated circuit sockets, push-button microswitches, custom wires and cables.
http://www.hsm.net.tw/	
	Crystals and crystal oscillators including special types – VCXO, TCXO, VCTCXO, OCXO, rubidium oscillators, GPS/GNSS-controlled oscillators.
https://www.iqdfrequencyproducts.com/	
	Rugged mobile phones and tablets with ATEX certification for explosive environments.
https://www.isafe-mobile.com/	

	Crystals, crystal oscillators, VCXO, TCXO, VCTCXO, MEMS, including versions certified for the automotive industry. Li-Ion, Li-Pol, Li-SOCI2, Li-FePO4, NiMH, and alkaline batteries, battery holders, coin cell, cylindrical, and watch batteries.
https://www.jauch.com/	
	Screw-type and plug-in terminals, connectors, cable lugs and end sleeves, sockets, push buttons, and custom-made cables.
http://www.karson-tech.com.hk/	
	LED diodes, 7-segment displays including SMD, matrix displays, large displays up to 51 cm, backlighting, high-power LEDs, and street lighting.
http://www.leds.com.hk/	
	LED diodes, 7-segment displays, matrix displays, backlighting, high-power LEDs and modules up to 240 W, UV-A and UV-LEDs, and lighting strips.
https://www.ledtech.com.tw/	
	A world leader in iron powder and wound cores, ferrite cores, and accessories.
https://www.mag-inc.com/	
	A wide range of high-quality electromechanical and optoelectronic components for use in industry, healthcare, food processing, mechanical engineering, and the automotive industry.
https://www.mentor.de.com/	
	A broad spectrum of antennas.
https://www.mobilemark.com/	
	LED diodes, 7-segment displays, matrix displays including special versions with square dots, all colors, and custom shapes
http://www.nb-flying.com/	
	DC/DC converters from 1 W to 400 W, switching regulators, power supplies including DIN rail-mounted versions, and LED power supplies.
http://www.pairuigroup.com/	
	Character LCD modules including VATN and PBT types, graphic LCD modules, TFT displays, and touchscreens with electromagnetic pen support.
https://www.powertip.com.tw/	
	Wireless modules for license-free bands at 169/433/868 MHz and 2.4 GHz, supporting wireless networks such as MIOTY, RIIIM, RIIoT, Wireless M-Bus, RC232, TinyMesh, SIGFOX, ZNM (ZigBee), and KNX-RF.
https://radiocrafts.com/	
	Solutions for ensuring GPS signal availability in buildings, underground spaces, etc. GNSS signal repeaters, amplifiers, and splitters (GPS, Galileo, Glonass, BeiDou).
https://www.gps-repeating.com/	
	A wide selection of high-quality connector and cables, including automotive versions. Special and custom solutions available for online configuration.
https://www.samtec.com/	
	Integrated circuits – LED display and lighting drivers.
http://www.star chips.com.tw/	
	A wide range of instrument enclosures.
https://www.takachi-enclosure.com/	
	Modems, LTE routers including those for IoT networks. Vehicle telemetric units, personal GNSS units.
https://teltonika-networks.com/	
	Crystals, crystal oscillators, ceramic resonators, SAW filters – all also available for surface-mount applications.
http://www.tecko.com/	

30 years on the market

A reliable supplier of components for your industrial production.

We know the market and can protect you from its fluctuations.

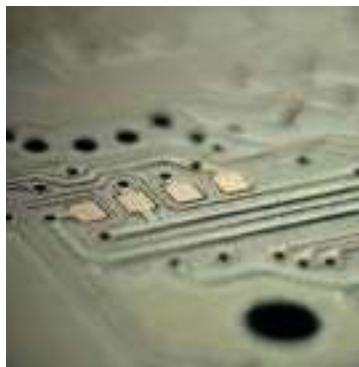

A trusted network of long-term suppliers.

Complete purchasing service for your production.

Own warehouse in Prague – a safe haven for key items for your production. Custom labeling, packaging according to

Professional conditions for the efficient procurement of materials from unauthorized distribution.

An independent partner and technical consultant in finding alternatives and replacements.

24/7 real-time online monitoring of the status of your requests.

100% traceability of all delivered items.

Pod vinicí 2045/18
